CHIEF BOBBER DARK HORSE FEATURES

4" Ride Command Touchscreen

The 4" touchscreen maintains a classic aesthetic by disguising itself as an analog gauge. Use it as a speedo and a tach, but it also controls ride modes, and lets you answer and decline calls.

Thunderstroke 116

The air-cooled Thunderstroke 116 produces 162 Nm of raw torque for passing power in all 6 gears. It'll catch eyes on the street and grab your soul from the saddle.

Blacked-out Bobber Design

Loaded with attitude and blacked-out finishes from fender to bobbed fender. A welded steel tube frame, large headlight bucket with nacelle, and covered forks and rear shocks give a nod to traditional bobber style.

Own the road

A low solo seat gives you a commanding feel, while the forward pegs and mini ape bars put your feet forward and your fists in the wind.

Light Your Way

Full LED lighting provides great visibility to the road ahead.

Features for the win

Off the line, every Chief Bobber Dark Horse comes with keyless ignition, USB charging port, cruise control, ABS, and super-sticky Pirelli Night Dragon tires.
