X125 FEATURES

OUR SIGNATURE IN A FUTURE DESIGN

Our scooters are dedicated to those who seek to stand out, to those who value the blend of classic allure and modern functionality. The Lambretta grill is your key to a world where tradition and individuality ride hand in hand, offering an escape from the mundane, into a realm of elegance and freedom.

ARM LINK WITH DISC BRAKE [ABS]

Our ABS Braking System intelligently monitors wheel speed, instantly engaging to modulate brake pressure if a potential lock-up scenario is detected. This sophisticated intervention allows for smoother deceleration, drastically reducing the risk of skidding and providing a safer riding experience. Whether faced with wet roads, sudden stops, or emergency maneuvers, our ABS system delivers consistent performance, keeping Lambrettisti safe when it matters most.

TAIL LIGHT, A BEACON OF ITALIAN FASHION

Crafted with the precision and passion characteristic of Italian design, the Lambretta X tail light is a masterpiece of aesthetic and functional innovation. Its unique shape and the warm glow it casts are not just seen but felt, embodying the spirit of adventure that lies at the heart of every Lambretta journey. This distinctive design ensures that, even from a distance, the path of a Lambretta rider is unmistakable, leaving an impression that is as lasting as it is bright.

HIGH PERFORMANCE ENGINE

The engine is meticulously crafted to embody endurance. Its robust design is built to withstand the demands of extended journeys, ensuring that reliability is a constant companion on every adventure. Riders can expect not just spirited accelerations and responsive power but also the peace of mind that comes with Lambretta's legendary durability.

AIR VENTILATION

Lambretta's air ventilation grill is more than just a component; it's a declaration of sophistication, ensuring your scooter performs flawlessly in every climate, keeping the engine cool, and your journey smooth. Embrace the perfect blend of design and functionality with Lambretta, where every ride is a testament to the beauty of engineering.

SMART KEYLESS ENTRY ENGINE START

Embodying the essence of innovation, Lambretta's keyless ignition feature invites you to experience the future of scooter travel. It's not just about moving forward; it's about moving forward with elegance, security, and unparalleled ease. Welcome to a world where your journey starts with a whisper, not a rumble—a world made possible by Lambretta's smart technology.

THE LEGENDARY BADGE

The Lambretta badge is more than an emblem; it's a testament to the enduring appeal and steadfast values of a brand that has become a legend in its own right. It represents a commitment to quality, a nod to the past, and a forward-looking vision that continues to inspire confidence and pride in every Lambretta rider. Stand tall and ride with pride, for you carry the legacy of the rampant lion with you—a symbol of strength, self-awareness, and undeniable pride.

THE FULL LED LIGHTING SYSTEM

Embrace the emblem that has defined generations, and let the iconic Lambretta front badge be your guide to a world of distinction. With Lambretta, your ride is not only a passage through the streets but a journey through a legacy.

SPORT SEAT & PREMIUM HOOK

Sport seat with the LAMBRETTA logo embroidery exudes a luxurious and stylish vibe. It also features premium X Series style luggage hooks discreetly concealed under the front seat for convenient and easy access.

UNDER SEAT STORAGE

Handy under-seat storage

SEMI DIGITAL DISPLAY

With an analogue display that brings a nostalgic touch, riders can glance at the sweeping hands that track their journey in a dance of tradition. Complementing this is the Liquid Crystal Display, which offers at-a-glance information with the precision that only modern digital technology can provide. Together, they create a dashboard that is not just informative but also an exquisite element of the scooter's design.
