Yamaha MT-03 2020

Dark Lightning

£4,795 ^{+OTR}
from £94.25 p/m

Inspired by Yamaha's larger Hyper Naked, the aggressive new look is more MT than ever. Its predatory twin-eye face projects the moodiest stare, and new upside-down forks and a restyled wide-shouldered fuel tank underline the dynamic MT family look to make this the ultimate 300! But what really makes this lightweight Hyper Naked so attractive and desirable is the fact that it's built with pure MT DNA which means that every ride is a thrilling and addictive experience. You'll want to get out and ride whenever you can. Because this bike that just loves to be ridden.
